We provide our staff with training on our CSR strategy and this policy and seek to raise awareness of any negative impacts of our business and methods to reduce them.

Responsibility and Review

Our Managing Director has overall responsibility for our CSR strategy, and has appointed the Quality Assurance Manager as the firm's nominated officer for implementing this policy. They have a key role in ensuring the systems and controls we have in place are effective.

All members of staff have a role to play in complying with our CSR objectives and are encouraged to make further suggestions in relation to initiatives we could undertake. If anyone has a suggestion, they should contact the Quality Assurance Manager.

We are fully committed to the highest possible standards of openness, honesty, and accountability. In line with that commitment, we actively encourage all staff members who have serious concerns about any real or perceived departure from the high ethical standard that we set to voice those concerns openly.

We are committed to ensuring our policy remains effective. As part of our ongoing commitment, this policy is reviewed at least annually to verify its effective operation. Records of the reviews are maintained, and any necessary amendments are made to the policy, as appropriate.
