

HUMAN TRAFFICKING AND ANTI-SLAVERY POLICY STATEMENT

Inspectahire Instrument Company Ltd is committed to enforcing an effective Human Trafficking & Anti-Slavery Policy. For all procurement & operational activities this will be in accordance with the requirements of the Modern Slavery Act 2015. All our supplier relationships are managed by our head office personnel in Aberdeen.

We have a Code of Conduct on Ethical Trading, which sets out our policy on legislation, child labour, conditions of employment, wages and benefits, health and safety and the environment. The Code of Conduct has recently been updated to include our policy on human trafficking.

We undertake all reasonable and practical steps to ensure that our standards are being implemented throughout the businesses of our suppliers and that local legislation and regulations are complied with.

We will assess any instances of non-compliance on a case-by-case basis and will then tailor remedial action appropriately. We will only trade with those who fully comply with this policy or those who are taking verifiable steps towards compliance.

This statement will be reviewed as part of our document control process to monitor its effectiveness and to ensure that it reflects changing needs, circumstances, and legislation.
